Power Kids

Pre school

Here we grow

At **Power Kids** Pre-school we believe that children love to explore things, try out new ideas, to make discoveries and we afford them the right environment and opportunities to do this. Our highly trained teachers help your children learn skills and values that will prepare them for the next stage of their lives at school and beyond. We provide the right material, space, time and mentoring.

Our Model

Power Kids teaching methodology is a unique synthesis of Reggio Emilia, Montessori, Multiple Intelligence, Play Way and Project Based methods. We use center and theme based education to enhance and enrich our curriculum.

Our Programs

At Power Kids your child learns to play, talk, listen and read under the mentor ship of our in-house experts. We use child appropriate tools and techniques to help lay the foundation for building an education process that goes beyond mere academic success. Our program places an equal emphasis on intellectual, linguistic, artistic, aesthetic and physical pursuits there by ensuring a well rounded development of your child.

Power Kids offer the following pre-school Programs

Age	Programs
2.5 - 3.5 Years	Nursery
3.5 - 4.5 Years	Pre primary (PP-1)
4.5 - 5.5 Years	Kindergarten (PP-2)

Our Activities & Home Program

We at powerkids believe that all learning begins at home and parents are the first teachers of the child. This learning is supplemented by power kids and together we empower our children. To enable the parents to connect with the learning program we offer fun and easy activities to be carried on at home in order to help integrate learning into your child's daily routine.
