

AFTER SCHOOL TUITION CENTER

Press Note – Children’s Day Celebrations

The 3 POWERED LEARNING TUITION CENTERS located at Lawson’s Bay Colony/Seethammadhara and Madhavadhara celebrated 14th November 2013 “Children’s day” with festivities including cultural programs, games, quizzes and competitions. The Madhavadhara Center Proctor Mr. Santosh mentioned “the students of our centers celebrated it in a grand style with the help and assistance given by the teachers. The Centers were nicely and colorfully decorated. The colored balloons hanging all over the centers were not only giving it a very lively look but also creating a highly inspiring atmosphere.”

Winners of the competitions and participating students’ received attractive prizes. Children and their accompany family and friends were served very delicious snacks. Both the children and the teachers heartily participated in their respective events filling the whole evening with gaiety. Many previous Powers learning Center students also participated in these celebrations.

Power Learning Tuition Centers in Visakhapatnam are the best after school learning centers anywhere in the country. This is because of their state of art facilities, experienced faculty, 21st century teaching methods, and unique personalized program that helps students remedy weaknesses and achieve more in academics.

The Powered Learning Center’s program closely monitors children’s progress in school performance and equips them with appropriate learning skills. Teachers’ in these centers take great responsibility and act as student mentors. The thoroughness with which each child is guided in their studies has yielded excellent results in their class grades and prepares them well for any standardized exams that may follow.

Powered Learning Tuition Centers offer after school help for students of classes 1 –X in Math, Science, English, Social Studies, and Second Language for all curriculums – CBSE, ICSE, SSC, IB, etc.

Very truly yours,

Mr. SANTOSH S.
